

Emeline Limier

Junior Full-Stack Web Developer

Business graduate turned Full-Stack Web Developer with an eye for UI. Ability to deep dive into complex problem-solving sessions for hours, while always keeping the end user in mind.

EXPERIENCE

Full-Stack Web Development Program — CareerFoundry

06/2021 - 11/2021 — online

Accounts Receivable and Collections Specialist (French market) — Daimler Mobility AG

08/2018 - 12/2019 — Berlin, Germany

Focus on out-of-court settlements for the car leasing and loan business:

- identified and contacted advanced delinquent customers to establish payment schedules
- initiated escalation measures: appealing to partner bailiffs for out-of-court settlement, and door-to-door activities
- operated communication with partner bailiffs (daily emails, weekly phone calls) to keep track of ongoing cases
- headed training of a new partner bailiff office about internal processes

Legal Collections Assistant (French market) — Daimler Mobility AG

09/2017 - 07/2018 — Berlin, Germany

Supported the Legal Collections team dealing with in-court settlements for the car leasing and loan business:

- assembled documents for case preparations
- overhauled the archived documents and restructured the archiving system

Customer Care Team Coordinator — Wooga

07/2015 - 11/2016 — Berlin, Germany

Coordinated the Customer Care efforts of 3 mobile games, for the French- and English-speaking markets:

- supervised and conducted QA of CC services provided to ensure accurate and timely responses
- collaborated daily with stakeholders (dev team, PM, localization team) to keep track of any challenges, new releases or features, and adapt the CC strategy accordingly

Master in European Business — ESCP Business School

09/2014 - 06/2015 — S1 London, UK - S2 Berlin, Germany

Marketing Assistant (internship) — Deloitte

06/2013 - 08/2013 — Paris region, France

Supported the 2013 edition of the Deloitte Technology Fast 50 France: searched, validated and monitored candidates.

Master 1 Languages & Business studies (English/Spanish) — Paris Nanterre University

09/2010 - 06/2014 — Paris region, France
